### HENDRICK'S AFTERNOON TEA

Assorted finger sandwiches, fruit scone & cakes presented on a stand

We are pushing the boundaries a little bit further by trying the Hendrick's Gin & Fever Tree Tonic Afternoon Tea. None of those Assam vs Darjeeling vs English Breakfast tea discussions here, instead a teapot that will contain an absolutely delicious Hendrick's Gin with a selection of Fever Tree tonics.

Options available are Elderflower, Mediterranean, Aromatic & Naturally Light Tonic.

This will be served in a Hendrick's Victorian teapot & traditional tea cups and saucers.

We suggest you try it with a few slices of cucumber to make it even more interesting and tasty.
