## UK Cheese Selection £10.95

### Cotherstone

Distance from Castle: 25 miles. A hand-made, moist crumbly cheese, delicate in both texture and flavour and encased in a cream wax.

### Chevington Goats

Chevington is a parish in Northumberland. Our Chevington is a mould-ripened Jersey milk cheese, with a smooth texture and clean palate.

### Harrogate Blue

Distance from Castle: 43 miles. Harrogate Blue is soft, luxuriously creamy, and blue-veined, delivering a mellow blue flavour with a hint of pepper to finish.

### Kirkhams Lancashire

It is a moist, rich, crumbly, and creamy cheese with a "buttery crumble" and a fluffy, light consistency that melts in the mouth. Flavours are lemony, yoghurt and savoury ending up on a lingering Lancashire tang. The cheese is matured for 2-3 months but can be prolonged for up to 6 months by which it becomes almost spreadable.

### Cuddy's Cave

Distance from Castle: 25 miles. Mellow yet deceptively full flavoured with a lingeringly complex aftertaste. Made from our raw milk and traditional rennet.

All served with scrummy biscuits, local honeycomb, red onion marmalade.  
Cheeses may vary depending on our seasonal specials.
